

19TH US CAR REUNION POST EVENT - PRESS RELEASE

LIGNANO SABBIADORO (UDINE), 17-18 MAY 2014

The 19th US Car Reunion (the oldest US Car Meeting in Italy) registered a great success even this year. As usual the event took place on Sunday during the 28th Biker Fest International thanks to the collaboration with the magazine Cruisin' and the US Car Club Old School Garage. The weather was really pleasant so this year more than 100 American cars gathered in Lignano and crowded the parking place in front of the amusement park "Strabilia". A lot of cars arrived even from Austria, Germany, Slovenia, Hungary e Croatia, offering to the public a really amazing view. The organizers were happy to welcome even different vehicles coming from the military bases in Aviano (PN) and Ederle (VI).

The parade marched through the main streets of Lignano Sabbiadoro and Pineta, charming all people with the sparkling colours of cars and the powerful sound of V8 engines. US car owners had the chance to taste the good food offered by numerous catering stands and to dance with the lively music of the Side Whiskers (Rock'N'Roll band). The event ended with the award ceremony held by Luca Bortoletti, the president of the club Old School Garage, who commemorated even the friend Massimo Tommaselli, who recently passed away.
