22ND U.S. CAR REUNION: AMAZING!
LIGNANO SABBIAORO, UDINE – ITALY – 20 - 21 MAY 2017

The oldest U.S. Cars event in Italy this year celebrated 22 years with a sunny and lucky edition, with cars coming from Austria, Germany, Switzerland, Hungary, Poland, Croatia and Slovenia. We must give a big thank to Luca Bortoletti, Old School Garage Club President of Pordenone, which gave a big help organizing the event. If year after year is growing up it is also because of him! Thanks a lot also to the main sponsors like Bridgestone, Ma-Fra and WD-40.

About 300 Am Cars cruised along the main streets of Lignano (with a dozen remained parked in the Luna Park area), led by the local Police and a lot of Harley-Davidson and Boss Hoss motorcycles. This year JEEP joined us with the local dealer Prontoauto and also with the JEEPERS Club of Friuli, who created an very Hard off-road circuit with free demo-rides for all the guests who liked to enjoy this funny and thrilling activity.

The best cars have been awarded with Ma-Fra prizes and Tab Race plates.
During the awards ceremony we reminded a friend Massimo Tommaselli, Italian pioneer of this passion in this country.
